Letter dated 10 August 2012 from the Secretary-General addressed to the President of the Security Council

This is to inform you that Mr. Duk Ho Moon (Republic of Korea), whom I appointed on 27 June 2012 to the Panel of Experts established pursuant to Security Council resolution 1874 (2009) as the expert on the proliferation of weapons of mass destruction, has withdrawn from the Panel. In consultation with the Security Council Committee established pursuant to resolution 1718 (2006), therefore, I have appointed Mr. Jang-keun Lee (Republic of Korea) to serve on the Panel of Experts as the expert on the proliferation of weapons of mass destruction and to carry out the tasks specified in paragraph 26 of resolution 1874 (2009).

I should be grateful if you would bring this information to the attention of the members of the Security Council.
